# NAME

NORTHWEST AQUATIC & MARINE EDUCATORS

Join us for the **39th Annual Conference**  
*Connecting Communities through Water*

**July 13th—17th, 2014 | Bandon, Oregon**

Diversity | Stewardship | STEAM—Science, Technology, Engineering, Art and Math

Meet and connect with educators passionate about meaningful aquatic learning. The 39th annual NAME conference held in beautiful Bandon, OR will host over 30 informative conference workshops and numerous innovative speakers as well as exciting field experiences.

NAME is a community of marine and aquatic educators from public and private schools, aquariums, museums, nature centers, public agencies, and non-profit organizations dedicated to marine and aquatic education from Alaska, British Columbia, Washington, and Oregon.

Discover the benefits and join the NAME community today!

**Register today to get the best price** for the full or half conference, area field trips, and community workshops open to the public. Limited scholarships are available for current members and those new to the Northwest Aquatic and Marine Educators!

Visit **NAME** on the web at [www.pacname.org](http://www.pacname.org) for more information

Contact: [oregon@pacname.org](mailto:oregon@pacname.org) to be added to the conference mailing list
