Auction Donation Form

“One Place, Many Voices: Celebrating our Local Waters”

July 20-24, 2015 • Seattle, Washington

The annual NAME auction is one of the highlights of the conference....a chance to have fun, bid on really great items, and raise money for our mini-grant scholarship fund!

Have an auction item to donate? For donation or auction information, contact Alan Rammer at tidepools51@msn.com. Here are some ideas for great “aquatic” auction items: jewelry; outdoor gear; any and all crafts/artwork; gift certificates for whale watching, fishing trips, bird watching, cabin/hotel/motel accommodations, or guided outdoor trips. There may be treasures in your attic just waiting for the NAME Auction! Solicitation of auction items on behalf of NAME is highly appreciated. You can learn more about our organization at www.pacname.org.

Please detach and send this form with your registration form or bring form with donated item(s) to the registration table at the conference.
