**39th Annual Conference**  
*Connecting Communities through Water*

## Community Workshops

Sunday, July 13th, 2014 | The Barn - Bandon, Oregon

NAME hopes to serve a wider, more diverse marine and aquatic educator audience by offering an exciting set of pre-conference community workshops at this conference. Lunch, all instruction, and related materials are included in the price for the workshop selected. Additionally, if you are already a NAME member, or you sign up for the entire conference at the non-member rate, you get a discount on workshop registration. We encourage you to do just that – and join our marine/aquatic family for one of the finest learning experiences of your life!
