

*One Place, Many Voices*

*Celebrating Our Local Waters*

NAME Conference 2015

## Northwest Aquatic and Marine Educators Summer Conference

**July 20-24, 2015**

**University of Washington - Seattle, WA**

We'll be celebrating 40 years of NAME this summer! Educators, researchers, students, and resource professionals from Washington, Oregon, Alaska and British Columbia are invited to meet, learn, share, and socialize. Conference will include presentations, workshops, field trips, and a poster session. **Registration opens in April.**

### Conference Strands

- Diversity / connecting cultures and communities
- Innovative teaching, research and restoration
- Urban watersheds

**NAME**  
NORTHWEST AQUATIC & MARINE EDUCATORS

*The Northwest Aquatic and Marine Educators (NAME) is a "family" of educators passionate about oceans and watersheds. Our mission is to create, support, and inspire an international community of marine and aquatic educators throughout the Pacific Northwest.*
