School of Aquatic & Fisheries Science, University of WA, Seattle WA

SeaFaire is a marketplace of ‘ideas’ where individuals, agencies, organizations and vendors can share educational programs, equipment, curricula, and other materials appropriate for marine and aquatic educators.

SeaFaire will be open on both Tuesday July 21st and Thursday July 23rd all day during the conference. All SeaFaire presenters are encouraged to be available for questions during the conference poster session on Tuesday from 4:00 pm-6:00 pm and during lunch Thursday from 12:00 pm-1:00 pm. We are asking that displays be set up Tuesday morning before lunch and taken down before the conference day ends on Thursday.

Space is very limited this year! Please specify your table preference and A/V needs below and we will accommodate as many groups as possible on a first come first served basis. You must bring your own A/V equipment, lighting, extension cords, etc. Please remember that NAME is not responsible for securing items of value.
